

Wild Oats 2026 Acreage Survey

This survey will give subscribers to *Wild Oats* an indication of spring plantings in western Canada. The results will be published in *Wild Oats* in early March.

You don't have to include your name, but please include your town and postal code to help us identify your region.

Return the survey on or before February 25th by fax to 204-942-7652 or mail by February 20th to Wild Oats Publishing, 905 – 167 Lombard Avenue, Wpg MB R3B 0V3.

Those with internet access may complete this survey on-line at:
